About CLC...

Each year, Children's Law Center of Minnesota provides hundreds of abused and neglected youth with trustworthy, high quality legal representation, helping them navigate the child welfare and foster care systems. With a dedicated corps of about 275 volunteer pro bono attorneys, we help improve and stabilize the lives of foster care youth ages 10-21—youth who are at serious risk of homelessness, school failure, substance abuse, incarceration or a lifetime of dependence on public assistance.

Our mission and passion is to represent and advocate for the rights and interests of Minnesota's children who have become a part of the judicial, child welfare, health care, and education systems.

Our vision is that foster care youth will have:

- ♦ Straightforward, high quality legal representation along with knowledge and access to effective services they may need.
- ♦ The support they need to overcome trauma and make a smooth transition to adulthood.
- ♦ Meaningful connections with trustworthy adults.
- ♦ A sense of empowerment and control over their own futures.
- ♦ Stability, hope, and opportunity.

In the next year, CLC expects to serve as many as 800 children and youth. The need is great, and it is through important fundraising events like our Anniversary Celebration that CLC will be able to reach and provide a voice for some of the most vulnerable among us.

Because the *smallest* voice in the courtroom should be the ***loudest***.
